JOB DESCRIPTION FIREFIGHTER

2.08

Classification: Firefighter
Department: Fire Operations
Accountable To: Fire Captain
FLSA Status: Non-Exempt

GENERAL DESCRIPTION OF POSITION:

Protects life and property through emergency incident intervention. Performs fire suppression and prevention duties, provides life supporting emergency medical care at a minimum of the Basic EMT Level in the pre-hospital setting to assist victims of illness or injury. Conducts community service activities including community education and pre-plan inspections. Ensures readiness through facility, apparatus, equipment, and personal maintenance. Works in a 24/7 operational environment and is subject to call in/call back to support the operational needs of the department. Because firefighters are representatives of the department, they shall maintain a courteous and professional presence while interacting with any individual or entity, regardless of being on or off duty.

SUPERVISION:

Work is performed in accordance with FMMFD policies, procedures and guidelines with direction from the company officer either directly or through the assigned fire engineer. The company officer reviews work through performance reviews and conferences with the firefighter.

ESSENTIAL DUTIES & RESPONSIBILITIES:

Essential functions are not intended to be an exhaustive list of all responsibilities, duties and skills. They are intended to be accurate summaries of what the job classification involves and what is required to perform it.

- Responds to alarms as a member of a firefighting company.
- Responds to fire, medical, hazardous materials, and technical rescue emergencies to perform essential functions.

STANDARD OPERATING GUIDELINES

**REVISED
08/23/22**

- Searches for and rescues occupants, ventilates structures and protects property by salvaging and overhauling contents.
- Cleans and maintains assigned fire station on a regular schedule to include minor maintenance and repair of quarters and grounds.
- Attends and participates in regular and special trainings and drills.
- Performs fire prevention inspections and checks burn permit sites.
- Performs requests for blood pressure or other vital signs checks.
- Completes all required records and reports in an accurate and timely manner.
- Performs medical skills within scope of medical certification in accordance with current State of Arizona as well as local medical control protocols.
- Cleans and maintains assigned apparatus and equipment; replaces medical supplies and equipment used during emergency response.
- Lays and connects hose lines, directs water and pressure streams, uses chemical extinguishers, raises and climbs ladders.
- Operates all types of bars, hooks, lines, forcible entry tools, and other rescue equipment.
- Performs first responder hazardous materials procedures.
- Makes sound decisions and quickly reacts positively under stressful conditions which typically entail the life or well-being of a citizen or public safety member who is in danger.
- Works in a safe manner and reports unsafe activity and conditions.
- Works rotating shifts in support of a 24/7 emergency services department. Will be required to work early mornings, evenings, graveyards, weekends and holidays as necessitated to assigned shift rotation and schedule.
- This position is subject to overtime and emergency recall during non-working hours due to staff shortage and/or operational needs.

STANDARD OPERATING GUIDELINES

**REVISED
08/23/22**
